NOTICE

Subject: Registration for Covid-19 Vaccine by Students

It has been observed that a good number of SEU students have not yet registered for Covid-19 vaccination though several times they were requested by University Management and Department of IT. Government is likely to reopen Universities very soon and only the students who have registered for vaccination will be allowed to attend classes physically.

All Dept. Chairs, Coordinators and Faculties are earnestly requested to motivate their students through on-line Classes/ Facebook/E-mail for completing their Covid-19 Vaccine Registration by 27th September, 2021 positively. Matter may be treated most urgent and very important.

Please note that University Management will not allow any students to attend classes physically if he/she is not registered for vaccination.
