About Southeast University

Southeast University (SEU) started its journey with a **vision** to obtain global recognition as a world class university.

The **mission** of the University is

- To provide higher education at an affordable cost, keeping in view the economic conditions of the middle and lower middle income families in Bangladesh
- To impart world class education
- To provide research facilities so that the students can develop their full intellectual, social and personal potentials
- To provide knowledge, skills and abilities to transform human resource into human capital
- To inculcate moral and ethical values among students
- To prepare students to meet the challenges of the 21st century

SEU began with only 107 students at Banani, the hub of Dhaka in 2002. The University has now over 12,000 students under 19 different programs which are designed, reviewed and updated by expert members from home and abroad.

Besides various buildings within Banani area, our newly constructed permanent campus is located at Tejgaon, that houses Departments of Electrical & Electronic Engineering, Architecture and Textile Engineering. The University has collaborative agreements with several globally renowned universities.

As part of our social commitment, we provide full free education to economically underprivileged students who are brilliant and committed to learning.

We hope to groom today's young minds for the leadership of tomorrow.

Southeast University is run by a number of administrative bodies and committees headed by the Hon'ble Vice Chancellor under the supervision of the Board of Trustees, Southeast University Trust.
