Subject: Attendance in Day Long Fair Organized by Midland Bank Ltd.

Midland Bank Ltd has introduced a unique loan product named "MDB Start-up" whose purpose is to finance customers having innovative idea for development of new product/service/technology/process. In this context they would like to organize a day-long fair in the ground floor of our new Permanent Campus on 04.06.2023 to share the various aspects of the product and explain how they can assist our students with start-up business ventures. We feel our students will be benefitted from such initiative.

Please inform all students of your department and ask them to join the fair at their convenient time on 04.06.2023 (Sunday).
